Tree Line Studios' sister store in the Coast Sundance, Sun Peaks, BC

The widest selection of gifts and souvenirs in a memorable store setting makes this a Sun Peaks favorite

Located in  
The Sundance Lodge  
(Clock Tower)

## A treat for all the senses:

Unique giftware, clothing, outerwear, jewellery, plush toys, cards, and more! Stop in and try on a "Skitini" t-shirt or Sun Peaks logo jacket next time you visit. Ask our friendly staff about our "Snow to Go" or everybody's favorite, the comical "BearFoots" carvings by Jeff Fleming. We also have a great selection of soap and spa products for all your pampering needs, plus unusual kitchen gifts. Some favorite purchases are the Sun Peaks wooden salad tossers, skier wineglasses or humorous kitchen towels and aprons.

You'll find toys and clothes for baby and kids that are just a little different. How about a "bear hug" jumper or "My name is not No-No!" bib for that special little one? A browser's paradise....

Phone or email orders welcome. We ship all over the world and are happy to email photos and details of items we have on hand for your convenience.
